Website <https://www.apsda-pernefri2024.com/>

Send your abstract/paper to [scientific.apsda2024@gmail.com](mailto:scientific.apsda2024@gmail.com)

**DEADLINE 30 AGUSTUS 2024**

## GENERAL PROVISIONS

1. The types of articles accepted include Case Reports, Evidence-Based Case Reports (EBCRs), original articles, systematic reviews, or meta-analyses.
2. Manuscripts **must be free of plagiarism and original.**
3. Manuscripts should be typed using standard English language according to the guidelines of the English Language Council.
4. The use of materials protected by Intellectual Property Rights (IPR) or patents is prohibited unless permission is obtained.
5. The top three participants in the research category will be selected and included in the Young Investigation Award (YIA), which will be judged during the designated oral presentation session to determine the first, second, and third place winners.
6. Participants in the research category who do not qualify for the YIA selection will be selected as 10 finalists to present their papers in the oral presentation session, and first, second, and third place winners will be chosen.
7. Participants in the research category not included in points 5 and 6, as well as the Case Report category, will create posters and will not have an oral presentation session, but will be directly selected as first, second, and third place winners.
8. The decision of the jury is final and cannot be protested.

## MANDATORY PROVISIONS

1. All participants of the scientific competition must be registered as participants of PIT PERNEFRI 2024 with proof in the form of a photo or scan of the registration receipt sent to the committee's email at [scientific.apsda2024@gmail.com](mailto:scientific.apsda2024@gmail.com) along with the submission of the abstract (prioritized for assessment).
2. The deadline for the submission of abstracts is August 30, 2024, at 00:00.
3. A participation certificate for the scientific event will be provided once the participant has submitted the abstract, and e-poster.
4. The maximum length of the complete paper for the scientific competition is 3000 words (maximum 10 pages).
5. All participants of the scientific competition must provide consent for their paper to be included in the scientific book of PIT Pernefri 2024 & APSDA with an ISBN or INA-Kidney or other related Pernefri scientific books/journals.

## ABSTRACT PROVISIONS

1. The abstract consists of 1 page
2. The abstract should be written on **A4 paper and formatted with typing margins: left 4 cm, right 3 cm, top 3 cm, and bottom 3 cm.**
3. The abstract begins with the title of the scientific paper, followed by the name of the primary author, then the second and third authors, followed by the related division, medical faculty, and affiliated university. The title of the scientific paper is written in Times New Roman font size 12, and the author names are written in bold using Times New Roman font size 10. The maximum number of co-authors is 9. Co-authors' names, divisions, faculties, and universities are written in Times New Roman font size 10. The spacing at the beginning of this abstract section is 1.
4. The content of the abstract for research results should include an introduction, method, results, discussion (IMRAD), conclusion, and keywords. The abstract content for case reports should include an introduction, case illustration, discussion, conclusion, and keywords. The content should be written in Times New Roman font size 10 with single spacing. Titles for each section should be bold. The abstract content should not exceed 300 words.

## POSTER PROVISIONS

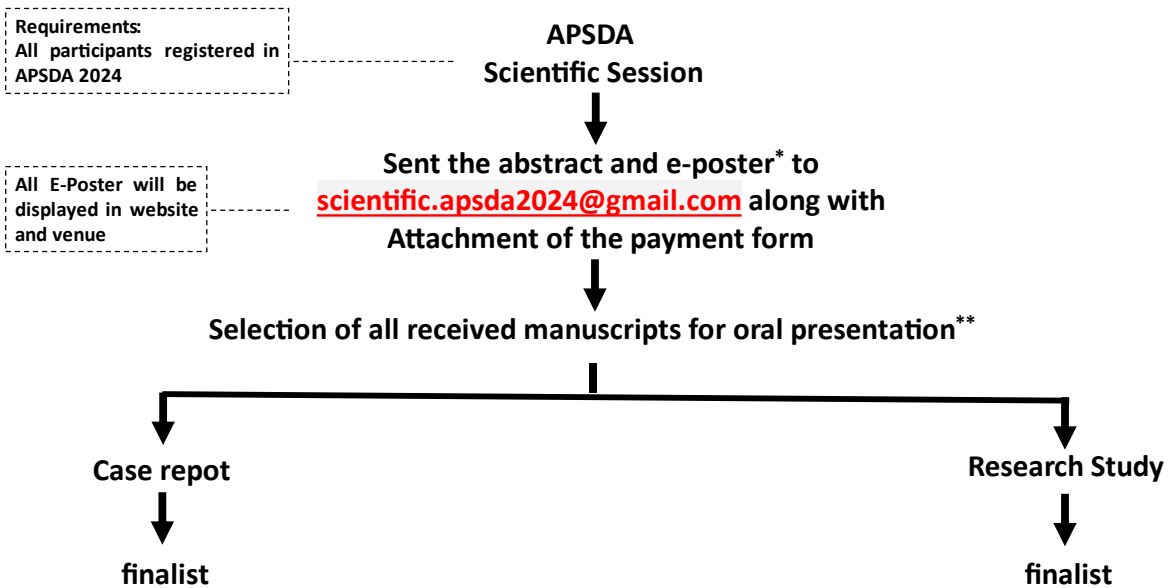

1. The categories for the poster competition are: Research and Case Reports.
2. Posters must be **designed in PDF or PPT file format.**
3. Designs should be colorful and attractive, with no restrictions on the number of colors used. Images should be high resolution, and the poster size should be A0.
4. Attaching paper or similar materials to the poster is not allowed.
5. The poster must include the participant's name, university or institution, and region of origin (District, Province).
6. The poster will be displayed on the screen provided by the committee.
7. The size requirements for the poster can be found on the website.

## COMPLETE PAPER PROVISIONS

1. The complete paper is to be written separately from the abstract and should comprise 6-10 pages. Page numbers are to be placed in the top right corner of each page.
2. Complete papers should be written on A4 paper, adhering to the following margin specifications: **left margin 4 cm, right margin 3 cm, top margin 3 cm, bottom margin 3 cm.**
3. The content of the complete paper for research results should encompass Introduction, Research Methodology, Operational Definitions, Data Analysis, Research Findings, Discussion, and Conclusion. For case reports, the content should include Introduction, Case Illustration, Discussion, and Conclusion.
4. The content of the complete paper is to be written in **Times New Roman font size 12, with 1.5 line spacing. Subsection titles should be in bold.**
5. In-text citations in the complete paper should appear at the end of each sentence in each paragraph.
6. Figure titles in the complete paper should be positioned **below the figures, centered, in Times New Roman font size 10, with single spacing, and bolded.**
7. Table titles in the complete paper should be **located above the tables, in Times New Roman font size 10, and bolded.** Tables should only use horizontal boundary lines, without vertical boundary lines. The table headers should be in

capital letters, in **Times New Roman font size 10, and bolded. The body of the table should use font size 10.**

- At the end of the complete paper, a reference list should be compiled using the Vancouver system. The reference list should be in **Times New Roman font size 11, with single spacing.**

\*See the guideline for E-Poster

\*\*See the guideline for Oral Presentation

## The Guideline For Oral Presentation PIT PERNEFRI & APSDA

- Participants are expected to be on standby 30 minutes before the event starts in the presentation room
- Participants are expected to wear formal clothing
- The committee will announce the order of competition participants
- Participants are given 7 minutes for presentations, and 3 minutes for questions and answers

- Participants who do not attend according to the presentation schedule will be disqualified from the judging process
- One scientific work is presented by only 1 person.
- Certificates are awarded according to the name of the presenter.
- The entire abstract, power point presentation, and question and answer process will be assessed by a predetermined jury
- The Jury's Decision is Absolute
- Participants are required to use the PPT template from the Committee
